Summer Professional Development Program 2019

- Two weeks of extensive training programs were organized, in collaboration with HR Department - KPSIAJ, for the faculty and employees of Fatimiyah Education Network after their return from the summer break.
- 8 value based sessions and 7 professional development sessions were organized to equip the employees with the necessities of their professions.
- Sessions included Effective Teaching Strategies by Mr. Samad Abbas (Director at Training and Consultancy services), Effective Communication Skills by Mr. Muhammad Baqar (EDLAB Pakistan), Stress Management by Ms. Batool Azra and character-building in students by Mr. Zahid Ali Zahidi and Mr. Kazim Naqvi.

Professional Development & Quality Assurance (PD & QA)

Competency Test Analysis

- The PD & QA department annually conducts competence test for core subjects at Fatimiyah Schools to help determine the effectiveness of teaching & learning.
- Activities at PD & QA related to competency test include development of test papers, marking of test answer scripts, competence test result analysis and reporting, comparative analysis and reporting of final exam and competence test results.
- This activity helps to determine the effectiveness of teaching & learning methodologies. It also checks the level of retention of concepts among students, identifies the weak areas and facilitates teachers in adopting suitable remedial measures.

Summer Session Feedback Analysis

- The PD & QA department performed a quantitative analysis of the feedback provided by participants of the professional development sessions, organised by HR department at FEN.
- The aim was to determine the extent to which these sessions were useful and memorable for the participants.

Development of Activities for Students

- The PD & QA department has also initiated the development of a skill enriched curriculum. In its first phase, skill based handbooks were prepared for the teachers along with refresher sessions.
- Currently, as an addition, the department is working on the preparation of grade wise skill-based activities for students across all subjects.
