# REFLECTIONS

## QUOTES FROM THE FOUNDER OF OUR NATION – MOHAMMAD ALI JINNAH:

“With faith, discipline and selfless devotion to duty, there is nothing worthwhile that you cannot achieve.”

“Failure is a word unknown to me.”

“There are two powers in the world; one is the sword, and the other is the pen. There is great competition between the two. There is a third power stronger than both, that of the women.”

“If we want to make this great State of Pakistan happy and prosperous, we should wholly and solely concentrate on the well-being of the people and especially of the masses and the poor.”

## SHAHEED HAMID ALI BHOJANI: President (KPSIAJ) August 1988 - February 1995

The establishment of FATIMIYAH SCHOOL is the result of untiring and dedicated efforts of Mr. SHAHEED HAMIDALI BHOJANI, who was elected as the President of the Khoja (Pirhai) Shia Isna Asheri Jamaat Karachi, for three successive terms with popular mandate in August 1988, a post he held until the day of his Shahadat on 25th February 1995 (24th Ramazan-ul-Mubarak 1415 A.H.) at Mehfil-e-Murtaza, PECHS, Karachi.

During his tenure he prioritized EDUCATION, particularly for females of the community. His dynamic leadership was instrumental in mobilizing the community and motivating young and old to actively participate actively in Jamaat affairs, which completely transformed the Jamaat's social set-up, resulting in the community moving TOWARDS THE PATH OF PROGRESS.

**May Almighty Allah shower His blessings on this noble son of the community**

## MESSAGE FROM THE PRESIDENT ABUL HASSAN GOKAL

Dear Members,

Assalam o Alyekum

All praise to the Almighty Allah and Masoomeen (A.S) for KPSIAJ's Continued prosperity. This year our country has been hit by colossal and unprecedented floods, especially in Sindh and Baluchistan provinces. The benevolent members of our Jamaat stood up in an exemplary manner to face this challenge. We were able to provide rations, cooked foods, supplies, medicines, tents, mosquito nets and water filtration plants to the victims - which were well appreciated by the needy and by the Government of Sindh – who also gave generous support to us for the Fatimiyah Hospital, Fatimiyah Education Network and for social welfare.

In addition to the flood relief activities, we continued to provide rations to the less privileged members of our Jamaat and cash assistance to enable them celebrate Eid.

I am very pleased that this year, the Pakistan Center for Philanthropy (PCP) has recognized KPSIAJ as a PCP Certified Not-For-Profit, after an independent assessment of all our processes, reporting structures, financial management and controls and our programs. PCP certification is a big reward for the tireless efforts made by the Managing Committee, our employees and well-wishers of the Jamaat.

We are grateful for the visit made by President Mr. Alhaj Safder Jaffer and Secretary Mr. Arifali Hirji of World Federation, their review of our programs and the wholehearted support that we have always received from them.

As can be seen from their dashboard, the Fatimiyah Hospital had a successful year – helping close to 150K patients. A major accomplishment is the installation of CT Scan facilities (for which we are thankful to our generous donors) – which will be launched by the time we have the annual meeting. Our dental clinic also made phenomenal progress by the installation of Orthopantomogram (OPG) and Digital X-Ray equipment. Our Radiology Department also made excellent progress with the addition of Digital Radiography (DR) and Computed Radiography (CR) equipment.

The Fatimiyah Education Network continued to provide outstanding education – with well over 65% of the students getting A1 or A grades – and kept the students engaged in valuable extra-curricular activities a good portion of which is enhancing the love for the Ahlul Bait. Three students from the Fatimiyah College achieved the 6th, 8th and 14th ranks in the Board of Intermediate Education examinations and this makes us really proud. Likewise, the students of FIES achieved the 1st and 2nd positions in M.Ed. examinations conducted by the University of Karachi. Congratulations to these students and their parents.

The Khoja Heritage Family Gala organized by the Pakistan Federation and KPSIAJ was very well received by the community who actively participated in the sports, academic and fun-filled activities. We are grateful to everyone who helped make this event a resounding success.

The youth are our future leaders and it is truly gratifying to note their zeal, fervor and efforts towards the programs of our community. Towards the end, I will leave our youth and members with a quote from Maula Ali (as) which is truly impactful: "Be like the honeybee, anything it eats is clean, anything it drops is sweet and the branch it sits on does not break". I look forward to another successful year for the Jamaat – with maximum participation from the young of our community because they will lead us towards a better future.

My heartfelt gratitude goes to the volunteers who have always helped us and to the generous donors. May Imam al-Hujjat (ajtf) accept their efforts as well as those of the Managing Committee and our employees. Let us all join hands towards contributing to our society – with discipline, unwavering cooperation and a sense of belonging to a common cause.

# **MINUTES OF THE ANNUAL GENERAL MEETING**

The Honorary Secretary Agha Asghar Hussain Shaheedi requested Mr. Mehdi Ali Haryani to recite verses from the Holy Quran.

#### **2. TO READ AND CONFIRM THE MINUTES OF LAST ANNUAL GENERAL MEETING HELD ON 20TH DECEMBER 2020:**

The Hon. Secretary enquired the House whether the minutes as read (as it has been circulated to members through email and WhatsApp) and is presented for approval. Brother Altaf Kikariyawala proposed to consider the minutes of last AGM as read and approved, and Mr. Muhammad Ali Jaffery seconded, thus the minutes of AGM held on 20th December 2020 were approved and ratified by the House and adopted.

Agenda No. 4 and 5 were then taken at No.3 with the permission of members of the House.

#### **3. TO CONSIDER AND ADOPT THE ANNUAL ACCOUNTS FOR THE YEAR ENDED 30TH JUNE 2021 TOGETHER WITH THE REPORT OF THE HONORARY TREASURER AND EXTERNAL AUDITOR:**

The Hon. Secretary presented the audited accounts for the year ended 30th June 2021 for approval. He further said that members may ask any question related to audited accounts before it is approved. Mr. Muhammad Ali Merchant, raised following questions.

At Page No. 4 Note No.7 - Current Portion of Long-Term Loan has jumped.

On page No.13 Profit & Loss Account, membership fees increased, not showing ordinary members and there are also some differences in it, Life Membership is also not considered properly.

Increase in expenses of education, transport, and other services. If COVID-19 is considered as reason, it is 200% increased.

Retirement benefits transferred to funds of 103 million, investment in funds is decreased and transferred to short term investments and retirement benefits.

Mr. Muhammad Ali Jaffery asked about 61% increase in administrative expenses, and 53% increase in promotional expenses.

Mr. Mehboob Merchant asked about Khums Ijaza is for Hospital and Education purposes, whereas, administrative expenses have also been taken from it. He said that interest transactions are not valid but Jamaat is involved in it and asked the reason behind.

Mr. Muhammad Raza, asked the reasons of decreasing education expenses in current year as compared to last year, whereas, allocation has increased. Depreciation expenses under Note No. 9 are increased by Rs.35 million as addition, normally accounts are being signed by the President and Hon. Secretary, and this time not signed.

Mr. Shahid Saleem asked that Rs.26 million endowment funds of 2019 is not reflecting in 2021 accounts; stocks are not reflecting which is available at hospital and education sectors.

Mr. Altaf Kikariyawala suggested that no observations given by the Auditors, and therefore questions raised by the members are not valid. Only discussions about expenditure increased and decreased with suggestions be done in the AGM.

Mr. Muhammad Ali Jaffery has given his view that as per past practice, accounts have been prepared and audited, therefore, he seconded on Mr. Altaf Kikariyawala's suggestions to adopt the accounts as they are, and to save valuable time of members of the Jamaat.

Mr. Shahid Saleem suggested that reason for holding of AGM among the members is to discuss about increase and decrease in various areas of accounts, and they are not been approved until justification is given by the Management about the questions of members and stakeholders. Auditor's responsibility is to check whether accounts made are according to Accounting Standards and procedures, and gives his observations.

Mr. Muhammad Ali Merchant, suggested that all members of community have trusted on Managing Committee, they just want to get answers of their queries about increase in expenditures etc.

Mr. Asker Ali Basrawala, answered on questions raised by various members.

On Long-Term Loans of 2020, where Jamaat has availed State Bank loan facility for paying 3 month's salary of staff, so our Rs.63 million loan was jumped to 84 million, Therefore, current portion of bank loan in 2021 accounts is Rs.63 million. We have to repay 4 instalments and by the end of October 2022 - complete loan will be repaid.

Under education, deficit has increased by 1.25 million, it was challenging period for the management this year to face multiple moves of Covid-19 which has affected all business sectors. It was very difficult to defend them for all of you and also for the Management of Jamaat. We took prompt decisions, where our receipts were decreased and expenditures were increased, and it would have been increased more if we did not manage them. We have to provide welfare to parents in payment of fees. We have to consider welfare side rather than commercial side of it, where we can

enhance tuition fees to meet our additional expenditures. Our operational deficits are same as of last year. Our decrease is on other income, and people know about decrease in discount rates was from 13.25% in year 2020, and at the end of year 2021 it was 7%. Due to this decrease in interest rate, our deficits have increased.

Under medical sector, receipts have been increased as compared to last year. Due to increase in number of patients because of COVID-19, we had to manage our expenditures. Our fixed expenditures could not be decreased in a smaller period, they remain the same. Thus, pressure of increase in expenditures and normal receipts remain same so we took help from donations in this sector. We did specific fund raising in this sector which we did not do last year.

There are no major deficits in other activities, which is total Rs. 59,000 on an average of 1.96%, transport deficit is Rs.2 million which is due to fixed expenses of salaries of drivers and helpers etc., and value-added services provided due to COVID-19. This year COVID-19 pressure was comparatively lower as compared to last year, and we expect to ease out this deficit.

He answered on Mr. Muhammad Ali Merchant's questions that retirement benefits of employees of Jamaat is provident fund where amount at certain percentage is being deducted from salaries and same amount is being added by Jamaat under it in the shape of funds, which is being invested by Management to accumulate profit and is being paid to members at the time of leaving the services. Investment in TDRs at 7% per annum at the end of June 2021 and subsequently, these were matured and re-invested in higher returns offered by Banks. Present rate is 10%.

Regarding Mr. Mohsin Dharsi's question, Jamaat has availed SBP Scheme of bank loan due to Covid pressure at 3% special offered rate, in order to meet payroll expenditures during Covid-19 period. Increase in promotional expenditures, we have contacts with certain promotional media houses which help out us on media campaigns.

Regarding Mr. Shahid Saleem's question on other endowment funds which are being shown in other funds of 24 million, he answered that we did not consume any endowment funds and you can refer them from accounts. Similarly, stocks are also showing in consumable stores in balance sheet.

We have shown impact of SBP loan in hospital sector, which is a Management decision, and since during Covid period our funds were short in this sector, so we have decided to show it in hospital sector. It will not have any impact in overall level. We have availed this loan for the purpose of financing of our medical activities.

Mr. Ali Abbas, has asked about why we are not getting our accounts audited from Big-4 companies, do we have financial issues for it? Mr. Asker Ali Basrawala replied that we have appointed auditors which can do thorough audit of our accounts, sometimes, Big-4 companies do not pay due attention towards welfare organizations' audit.

He again replied to Mr. Mohsin Dharsi on his question of charging markup on SBP loan to hospital sector, that since it was originated from there and therefore, we have charged off it there.

As no further questions were raised the Hon. Secretary presented the Annual Audited Accounts along with Hon. Treasurer's Report for the year ended 30th June 2021 for approval and adoption. Mr. Muhammad Ali Merchant and Mr. Muhammad Ali Jaffery both proposed to approve the Annual Audited Accounts along with Hon. Treasurer's Report for the year ended 30th June 2021, which was seconded by Mr. Murtaza Ghabrani, Mr. Altaf Kikariyawala, Mr. Shahid Ali Khoja, Mr. Hasnain Badami,

Mr. Muzammil, Mr. Yasir Devjjani, and accounts for the year ended 30th June 2021 were approved and adopted by the House.

**4. TO APPOINT EXTERNAL AUDITORS FOR THE YEAR ENDED 30TH JUNE, 2022 AND TO FIX THEIR REMUNERATION, IF ANY:**

Mr. Altaf Kikariyawala proposed to appoint M/s. Dossani Associates as auditors of Jamaat for the financial year 2021-2022, which was seconded by Mr. Muhammad Ali Jaffery, Mr. Muhammad Ali Merchant, Mr. Murtaza Rajani, Mr. Mehboob Merchant, Mr. Asghar Ali Rajia. Thus M/s. Dossani Associates was appointed as auditors of Jamaat for the financial year 2021-2022.

**5. TO CONSIDER AND ADOPT REPORT OF MANAGING COMMITTEE FOR THE YEAR ENDED 30-06-2021**

Agha Asghar Shaheedi requested the Forum to treat the Annual Report of Managing Committees as read (as it has been circulated to members through email and WhatsApp) and is presented for approval. Brother Altaf Kikariyawala proposed to consider the Annual Report for the year ended 30th June 2021 as read and approved. Mr. Muhammad Ali Jaffery and Mr. Murtaza Ghabrani seconded. Thus, the Annual Report of Managing Committee for the year ended 30th June 2021, was approved and ratified by the House and was adopted.

**6. TO CONSIDER ANY OTHER MATTER WITH THE PERMISSION OF THE CHAIR:**

Mr. Muhammad Ali Jaffery, asked that those married women members whose Jamaat card already made showing their husband name, then why she has been asked to submit marriage papers?

He also stated that range of Kharadar includes Lyari, Bihar Colony and a number of areas covered under it. People residing at Kharadar have to come to Soldier Bazar for availing all Jamaat facilities. It is requested to facilitate members residing in Kharadar & surrounding areas.

Mr. Ali Hussain Rajabali, refreshed managing committee about arrival time, but not mentioned ending time. Agenda must show all topics of questions and if possible, certain presentation must also be shown first before starting AGM. He also asked to discuss about income and fund raising for Jamaat, what members can do for fund raising for Jamaat. We should have to appreciate Jamaat about improvements in facilities and welfare for the benefits of Jamaat members. Also inform members about future plans of Jamaat so that those who want to help may come forward for working with Jamaat. He also pointed out that although many facilities have been arranged by Jamaat at Fatimiyah Hospital, but still a major topic is Heart treatment. We have to apologize to heart patients there and advise them to move to some other hospitals. He pointed out that members are doing criticism on some activities not performed or completed by Jamaat. There has always been a process of improvement and at every stage it is being done. However, members should also have to appreciate Jamaat about activities performed and it is a reward for Jamaat that members do appreciation of its performed activities.

FRC is doing positive work for married couples to rejoin them as much as possible, and given a second chance to married couples to continue their life in good and cooperation environment.

He suggested that needy members of Jamaat should be given 50% discount on services of Fatimiyah Hospital due to their poverty and Jamaat has to arrange donations for it.

Mr. Ghulam Hussain Faddoo, running 5 trusts at Kharadar region, pointed out that under fateha names called at the start of this session, names of Ghulam Hussain Chagla and Lalan not included.

Achievements before partition, like Chagla Musafir Khan, Ghulam Hussain Khaliqdina Trust, Ghulam Hussain Faddoo Trust etc. not named by you.

Mr. Shahid Saleem, pointed out that under report of 2019 about Women University, has not found any details about it in present report. Secondly, Jamaat should have to stop dual voting of members who are registered at another city and giving vote at Karachi also. Khums Ijaza was expired and on the basis of an old letter of Ijaza, it was bi-passed and obtained Ijaza from some other source, which I think it an un-ethical thing. His last point is about Dr. Murtaza Gowa, that he obtained 60% votes of Jamaat members, but he is not available at Hospital OPD, vaccine campaign. Also, to explain what is the difference between Governing Body and Health Board of Fatimiyah Hospital?

Mr. Mohsin Dharsi asked about per child cost in Fatimiyah Schools is Rs.5500/= which is high in the region and all other community schools. Administrative staff salary is Rs.4 million rupees which is excluding all other sectors of health, education, transport, graveyard etc. Also explain why 61% increase in expenses from 2019 to 2021.

Mr. Shahid Badami congratulated to Mr. Hassan Akbar to be the Attorney General of the year which is a pride for the Jamaat. He suggested that minutes of AGM be circulated among members within a month.

Mr. Hassan Akbar, Vice President, informed that our phone lines are working 24/7 basis, and at every moment a call or message comes, we work for it since all is being recorded. He thanked all members of the Jamaat for being awarded as Attorney General of the year, and it is Duas of members that this respect has been given to him, which is also honorable to our Jamaat.

Regarding internal control testing, Mr. Asker Ali Basrawala replied that we do establish and test our controls through Internal Audit Division which review it on regular basis and also helps in drafting the same for user departments. We can also take external review at a later date for audit and consultation. For our legal and tax issues, we take advices from our community well-wishers and act accordingly on it.

Regarding expenses of educational services, he clarified that we carry out activity about comparing our expenses of educational institutions with other educational institutions, and our fee structure is comparable with others. He appreciated previous help of Mr. Muhammad Rajpar and also thanked to him. We do deliberate attempts to reduce these expenses, so that no pressure of community be on us about pricing and fee structure. We provide fee assistance to parents of students, and do not stop any student to keep away from education because of fees payments. This is a bench mark of our education policy to provide education for all students. The flow of our expenses as compared to receipts show our deficits at every stage. We have overcome our expenses with our revenues and have much covered our deficits. In-depth review is required to go through our expenses with revenues, where our expenses are below 7 million this year. We also gave reason of increase in deficits due to treasury yields lower as compared to last year.

Due to increase in number of members of Jamaat, quorum of 45 number of members is required. This has to be enhanced, but needs constitutional amendments, which also requires not only intimation of members but also requires their suggestions. Constitution needs to be changed drastically over passage of time, it was drafted in over more than decades, and on many issues remains silent. Mr. Hassan Akbar, Vice President, said that he is working on it.

Honorary Secretary, Maulana Asghar Hussain Shaheedi asked the members to come forwards with Jamaat as volunteers on different fields. It is open for all members, and show their talents voluntarily. We will put and adjust them in our various committees according to their skills. He thanked Mr. Muhammad Ali Merchant, providing his valuation suggestions and workings since 2009 on various matters and issues of Jamaat. Mr. Muhammad Zeeshan Merchant, was very helpful in making NPO status to Jamaat. Our Ex-Honorary Treasurer, Mr. Zahid Hussain Vasnani, has a great contribution in providing valuable services to Jamaat.

Honorary Secretary, Maulana Asghar Hussain Shaheedi thanked about observations of Mr. Shahid Badami about Jamaat workings and accepted his suggestions about Khoja participations and its reflections in various fields and units of Jamaat. He also replied to a member's question about signatures on all documents published for members of Jamaat. He replied that on original related documents, signatures of concerned person are there, but for public we removed them from the published and printed documents.

Mr. Yawar Abbas Kumaili, replied about Fatimiyah Hospital's expansion, he thanked donors for providing huge amount for construction of already owned plot, and another new corner plot purchasing, total cost of project is 90 crores approximately. He thanked Mr. Mohsin Ali Nathani for his valuable support of providing funds immediately for the purchase of generator for Fatimiyah Hospital. We are planning cardiac facilities too. Regarding increase in service discount to needy and poor patients up to 50%, we have 739 cases out of 1100 cases at Fatimiyah Hospital, whose salary is below Rs.30,000 per month. We have done full free treatment for all those cases who could not afford to pay at all. Our normal discount for all members of Jamaat is 10%, but for those who could not afford to pay even 50%, we adjust their cases from our welfare desk. We provide all possible funds from Sehm e Imam A.S. and Sehm e Sadaat funds.

Alhamdulillah, we along with our newly elected doctors, who are part of our Governing Body, are further working on Emergency and Pharmacy, and hope to have better results at the hospital.

#### **CLOSURE OF MEETING**

## વિણેલા મોતી પરસ્પર મોહબ્બત વધારવાના ઉપાયો

હકીમ લુકમાનની હિકાયત મશ્હુર છે કે એક સમયે તેમના માલિકે શરીરની બહેતરીન ચીજ પકાવવાનું કહ્યું (હકીમ લુકમાન એક ઝમાનામાં ગુલામ હતા) હકીમ સાહેબે ઝબાન પકાવી, બીજા દિવસે માલીકે શરીરની બદતરીન ચીજ પકાવવાનું કહ્યું તો હકીમ લુકમાને ફરીવાર ઝબાન પકાવી જ્યારે માલિકે તેમને આપું કરવાનું કારણ પૂછ્યું તો તેમણે કહ્યું કે જો ખરો ઉપયોગ કરવામાં આવે તો ઝબાન બહેતરીન ચીજ છે અને ખોટો ઉપયોગ કરવામાં આવે તો ઝબાન બદતરીન ચીજ હોય છે.

અલ્લાહ પાકે સુરએ બલદમાં ઝબાનને એક નેઅમત રૂપે ઉલ્લેખ કર્યો છે જ્યારે કે સુરએ રહેમાનની શરૂઆતમાં બયાન કરવાની શક્તિને ઈન્સાન માટે એક નેઅમત લેખાવી છે. આ ઝબાનથી આપણે એકબીજાને વાકેફ કરીએ છીએ અને એકબીજાઓ સાથે વાતચીત કરી પોતાના માસને ઓળખાવીએ છીએ. આ ઝબાન જ દુશ્મનને દોસ્ત બનાવવાનું કારણભૂત બને છે. એજ કારણસર ઝબાનનો ખરો ઉપયોગ કરવાનું શીખવું બેહદ જરૂરી છે જેથી પરસ્પર મોહબ્બતમાં વધારો થાય અને જાની દુશ્મન ખરો દોસ્ત બની જાય.

આજકાલના ધમાલીયા જીવનમાં ઘરમાં મોજુદ લોકો વચ્ચે વાતચીતનો મોકો બહુજ ઓછો મળે છે એટલે કોમ્યુનિકેશન ગેપ વધતો જઈ રહ્યો છે. એવામાં જો વાતચીત કરવાનો સલીકો ન હોય તો પરસ્પર સંબંધો વધુ ઠંડા પડતા જાય છે. અમુક વખતે ઘરના લોકોની વચ્ચે અમુક મુનાસીબ શબ્દોની બોલચાલથી મોહબ્બતભર્યું વાતાવરણ સર્જાય છે અથવા વિચાર્યું વિના શબ્દો ઉચ્ચારવાથી આપસમાં કડવાશ જન્મી જાય છે. આપના ઘરના સભ્યો દરમિયાન વાતચીત માટે અમુક શબ્દો નમૂનારૂપી અહીંયા રજૂ કરીએ છીએ જે થકી પરસ્પર મોહબ્બતમાં વધારો થઈ શકે છે. હકીકતમાં આ એ શબ્દો છે જે એક પતિ પોતાની પત્નિથી, એક પત્નિ તેના પતિથી, મા-બાપ પોતાની અવલાદથી અને અવલાદ પોતાના માવિત્રોથી સાંભળવા માંગે છે.

### પતિઓ શું સાંભળવા યાદે છે:

પતિ ઘરનો વડો હોય છે. તેઓ ઘરના ખર્ચાઓ પૂરા કરવા માટે દિનરાત મહેનત કરે છે. ઘરના ખર્ચાઓ સિવાય બાળકોની ખ્વાહીશો પૂરી કરવા પત્નિની જરૂરિયાતો પૂરી કરવા દોસ્તો અને સગા સંબંધીઓ અને રીશ્તેદારોની ખુશી તથા ગમના મોકે શીરકત કરવું અને ઈદની ખુશાલીના મોકે એક્સ્ટ્રા ખર્ચાઓ પૂરા કરવા માટે અમુક વખતે તો પતિને એક વધુ જોડ કરવાની જરૂરત પડે છે. પતિ દિન-રાત મહેનત કરે છે જેના કારણે તે પોતાના પર બિલ્કુલ જ ધ્યાન આપતો નથી એટલે તેની તકલીફ દૂર કરવા માટે આ શબ્દો મશ્અલે રાહ બની જાય છે.

આપ કેટલી બધી મહેનત કરો છો. અમો આપનો આભાર માનીએ છીએ. આજે મેં આપની પસંદનું જમણ તૈયાર કર્યું છે. આપે એ ફેસલો કેટલો સમયસર કર્યો હશે કે....! હું તો આપની વગર મામલાને આ રીતે મેનેજ કરી શકતી ન હતી.

જેમ આપ કહો.....!

પેલું કામ આપે કેવું પરફેક્ટ કર્યું.....!

ક્યારેક પોતાની માટે પણ શોર્પીંગ કરી લીધા કરો. હંમેશા અમારાઓ પર ખર્ચા કરતા રહો છો....

### પત્નિને કેવા શબ્દોની જરૂરત હોય છે?

એક ઓરત પત્નિની હેસીયતે પૂરા ઘરને સંભાળે છે. ઘરની સફાઈથી લઈને ખાવાનું પકાવવા સુધી, કપડાઓ ધોવાથી લઈને જુતાઓની પોલીશ સુધી દરેક ચીજ પર નજર રાખે છે. ઘરને પણ જુએ છે તો ક્યારેય બાળકોની સ્કૂલનું હોમવર્ક પણ અને બાળકોની બિમારીમઢ િ સારસંભાળ. અસલ વાત એ છે કે તે પોતાના પતિ માટે ચેન-સુકનનો માર્ગ મોકળો કરે છે એટલે તેણીની પણ કદર થવી જરૂરી છે.

-આજે ખાવાનું બહુ સારું પાક્યું છે.

-અમારી માટે તમે કેટલી મહેનત કરો છો.

-તમારી લીધે અમારી જીંદગીમાં સુકુન અને વાતાવરણ વ્યવસ્થિત પણ છે.

-આ રંગ તમારા પર ઘણો શોભે છે. આ રંગના વસ્ત્રો પહેર્યો કરો.

-તું બહુ જ થાકી ગઈ છે એટલે થોડી વાર આરામ કરી લે હું બાળકોને જોઈ લઉં છું.

-આપણે બંને વોક માટે ચાલીએ ? અમુક વાર સુધી એકઠા વોક કરતી વેળા પોતાની વાતચીત કરી લઈશું.

### માવિત્રો શું સાંભળવા માંગે છે ?

જે રીતે આજનો એક નવજવાન પોતાના બાળકો માટે બધું કંઈ કુરબાન કરી દે છે. એજ રીતે ઈન્સાનના માવિત્રોએ પોતાની જવાનીમઢ િ જે કુરબાનીઓ આપેલી હોય છે. પોતાનું બધું કંઈ કુરબાન કરનાર મા-બાપને બાળકોની દોલત નહીં ખાસ લક્ષની જરૂરત હોય છે. હૃદયની ઘેરાઈથી તેમની કદર રૂપે અમુક શબ્દો ઉપયોગી સાબિત થઈ શકે છે.

આપે અમારા માટે કેટલી મહેનત કરી છે.....! આપું કોઈ નથી કરી શકતું જેવું આપે અમારી માટે કર્યું છે.....!

આપ હુકમ કરો....

આપ દુનિયાના બહેતરીન માવતર છો. અમોને આપના પર ફ્રખ છે..

આપના કાંધા પર, ખોળામાં માથું રાખીને દરેક પરેશાનીઓ દૂર થઈ જાય છે.

આપ મારાથી ખુશ તો છો ને....?

હું આજે જે કંઈ છું એ સૌ આપના કારણે છું.

### બાળકો શું સાંભળવા માંગે છે ?

બાળકો આપણું ભવિષ્ય છે. તેઓ આપણા થકી માત્ર શારીરિક અથવા માદી જરૂરિયાત નથી ચાહતા બલ્કે મોહબબતભર્યા શબ્દોથી તેમના વલણમાં પલ્ટો આવે છે. તેમના માટે બે-ચાર સારા શબ્દો તેમનો અહેસાસે તહફ્ફુઝ લખો છો એટલું જ નહીં બલ્કે તેમનામાં આગળ વધવાની લગન પેદા થાય છે. દાખલા તરીકે આ શબ્દોને જોઈ લો કે આ શબ્દો કેવી રીતે આપણી તથા બાળકો વચ્ચે બહેતર રીશતો કાયમ કરી શકે છે.

-અમોને આપની સાથે ઘણી મોહબબત છે. આપ તો અમારી તવાનાઈ (શક્તિ) છો.

-કેટલું સારું કામ કર્યું છે. આપે વેલકન.....!

-આપ તો બહુ ખાસ છો.....!

-આપનું શીર અને હાથ ચુમીને મને ઘણું સુકુન મળે છે.....!

-હું કેટલો લડકી છું કે આપ જેવી અવલાદ મને નસીબ થઈ.....

-આ આપણે બધા છીએના.....!

આપણે બધા આ શબ્દો સાંભળીએ તો છીએ પરંતુ પોતાના ભાગના શબ્દો ઉચ્ચારતા રોકાઈ જઈએ છીએ. આ નાના નાના શબ્દો કરતી વેળા આપણે ઢિચકીયાવું નથી એટલે

-ખુલ્લીને તારીફ કરો.

ખુલ્લીને દાદ આપો...

ખુલ્લીને મોહબબત કરો....

ચાદ રાખો જુંદગી બહુ જ ટુંકી છે તેને ખુબસુરત બનાવવા માટે અમુક નાના (ગુર) ઉપાયો આ છે:

સૌથી મોટું (ગુર).

પાય અને સૌથી મોટું (ગુર) ઉપાય એ છે કે આ શબ્દો ઉચ્ચારતી વેળા દિલમાં મુનાફકત ન હોવી જોઈએ. દરેક ઈન્સાનમાં ખુબીઓ અને ખામીઓ હોય છે એટલે પોતાના ખ્યારાઓની ખુબીઓને મદૂનજર રાખતા ઉપરોકત શબ્દો ઉચ્ચારવાના છે અને ઉમ્મીદ રાખો કે સારા શબ્દો થકી ખામીઓ પણ દૂર થઈ જાય છે.

ખરેખર પોતાની પત્તિ અને બાળકોથી મોહબબત કરો. તેમની તકલીફોને નજર સમક્ષ રાખો. તેમની સારી વાતો (અચ્છાઈઓ)ને સામે રાખી તેમની તારીફ કરો.

બાળકોની શક્તિઓ અને સલાહિયતોને નજર સમક્ષ રાખી તેઓની હિંમતમાં વધારો કરો.

હકીકતમાં તો આ વાત સમજાવવાની છે કે પોતાના મા-બાપ અને પતિ-પત્તિ એકબીજાઓની તકલીફોને સમજે, તેમના આભારી બને અને બાળકોની શક્તિ અને લાયકાત જોઈને અવારનવાર તેમને દાદ આપતા રહે અને તેઓને આગળ વધારવાના હંમેશા પ્રયાસો કરતા રહે.

فرمایا: اسے کسی ایسی ذات کے پاس بطور امانت رکھو اور جو اس کی حفاظت کرے، اس کی حمایت کرے، اس میں اضافہ بھی کر دے اور اس کے ایک ایک درہم کو دنیا و مافیہا سے بھی بڑا کر دے، پھر اسے واپس تمہارے حوالے کر دے اور جتنی تمہاری ضرورت ہے، اس سے بھی زیادہ کامل اور پورا کر دے۔

یہ سن کر وہ کہنے لگے: ایسا امانتدار کون ہے؟

فرمایا: رب العالمین۔

انہوں نے پوچھا: ہم کیسے اس کے پاس اپنی امانت رکھوائیں۔

فرمایا: غریب مسلمانوں کو صدقہ دو۔

کہنے لگے: اس بیابان میں ایسے لوگ موجود نہیں ہیں کہ ہم انہیں صدقہ دیں۔

فرمایا: ارادہ کرو کہ اپنے مال کا ایک تہائی حصہ خدا کی راہ میں صدقہ دو گے تاکہ خدا باقی مال کو اس بلا سے محفوظ رکھے جس کا تمہیں رہزنوں کی جانب سے خوف ہے۔

کہنے لگے: ٹھیک ہے، ہم نے نیت کر لی ہے۔

فرمایا: پس تم لوگ خدا کی حفاظت میں ہو۔ چلنا شروع کرو۔

چنانچہ قافلہ روانہ ہو گیا اور دورانِ سفر کسی جگہ پر اس کا سامنا رہزنوں سے ہو گیا۔ امامؑ نے فرمایا: ڈر کیوں رہے ہو؟ تم لوگ خدا کی حفاظت میں ہو۔

کچھ ہی دیر بعد رہزن نزدیک آ گئے۔ وہ اپنے گھوڑوں سے اترے اور امام صادقؑ کے پاس آ کر آپ کے ہاتھوں پر بوسہ دیا اور کہنے لگے: کل رات ہم نے اللہ کے رسولؐ کو خواب میں دیکھا۔ انہوں نے ہمیں حکم دیا کہ آپ کی خدمت میں پیش ہو جائیں۔ تو اب ہم آپ کے اور اس قافلے کے ساتھ ہیں تاکہ کوئی دشمن یا ڈاکو حملہ کرے تو ہم آپ کا دفاع کریں۔

امامؑ نے فرمایا: ہمیں تمہاری ضرورت نہیں ہے۔ جس نے تم سے ہماری حفاظت کی، وہ راستے کے دشمنوں اور رہزنوں کو بھی ہم سے دور کر دے گا۔!

چنانچہ پورا قافلہ خیر خیریت سے اپنی منزل پر پہنچ گیا۔ قافلے والوں نے غریبوں کو اپنا ایک تہائی مال صدقہ دیا، ان کی تجارت میں برکت ہوئی اور ایک درہم کے بدلے دس درہم حاصل ہوئے۔ وہ آپس میں کہنے لگے: دیکھا! حضرت صادقؑ کے وجود کی برکت کتنی عظیم تھی۔!

امامؑ نے فرمایا: تم لوگوں نے خدا کے ساتھ معاملہ کرنے کی برکت کو جان لیا ہے۔ اب اس پر عمل کرتے رہنا۔!

بحار الانوار، ج ۹۳، باب ۱۲، حدیث ۲۳

## خدا کے ساتھ معاملہ

آج ہم میں سے اکثر لوگ ملک میں موجود امن و امان کی صورتحال کی وجہ سے مضطرب اور پریشان رہتے ہیں۔ انہیں ہر وقت اپنی جان اور مال کے تحفظ کا دھڑکا لگا رہتا ہے۔ لہذا ہم جان و مال کی حفاظت کے لیے طرح طرح کے طریقے استعمال کرتے ہیں۔ ذاتی محافظ رکھتے ہیں، گھروں اور دفاتروں کے لیے گارڈ رکھتے ہیں، قیمتی اشیاء بینکوں میں رکھتے ہیں، انشورنس کرواتے ہیں اور بہت سے دوسرے کام بھی کرتے ہیں۔ ظاہر ہے کہ تمام صاحبانِ عقل ایسا کرتے ہیں اور ہمیں بھی کرنا چاہیے۔ دین اسلام بھی دینِ فطرت ہے، اس لیے وہ بھی ہمیں اس سے روکتا نہیں ہے، بلکہ اپنی بھرپور حفاظت کا حکم دیتا ہے۔ لیکن اس کے ساتھ ہی ہر مسلمان کو خدا کی غیبی امداد پر بھی بھروسہ ہونا چاہیے۔ کیونکہ اللہ تعالیٰ اپنے بندوں پر بہت مہربان ہے اور وہ ہر چیز پر قادر بھی ہے۔ چنانچہ وہ دشمن کے دل میں رحم بھی ڈال سکتا ہے اور اس کی آنکھوں پر پردہ بھی ڈال سکتا ہے۔

اللہ کی غیبی امداد کے حصول کے لیے انفاق فی سبیل اللہ یعنی غریبوں اور محتاجوں کی مدد اور اجتماعی حوالے سے جہاں ضرورت ہو، وہاں خرچ کرنا ایک بہترین ذریعہ ہے۔ اس حوالے سے چھٹے امام حضرت جعفر صادق علیہ السلام کا ایک واقعہ بحار الانوار سے نقل کرتے ہیں۔

امام موسیٰ کاظم علیہ السلام فرماتے ہیں کہ ایک مرتبہ امام جعفر صادق علیہ السلام کسی قافلے کے ساتھ کہیں جا رہے تھے۔ اس قافلے میں کچھ دولتمند لوگ بھی تھے جن کے پاس کافی مال تھا۔ راستے میں قافلے والوں کو کسی نے بتایا کہ آگے کچھ رہزن راستے میں بیٹھے ہیں جو مسافروں کا مال و دولت لوٹ رہے ہیں۔ یہ سن کر قافلے والوں کے بدن پر لرزہ طاری ہو گیا۔ امام صادقؑ نے پوچھا: کیا ہو گیا ہے تم لوگوں کو؟

کہنے لگے: ہمارے ساتھ کافی مال موجود ہے۔ ہمیں خوف ہے کہ رہزن ہمارا مال لوٹ لیں گے۔ پھر وہ امام سے کہنے لگے: کیا ایسا ہو سکتا ہے کہ آپ ہماری جانب سے وہ مال اپنے پاس رکھ لیں۔ شاید وہ رہزن آپ کے پاس مال کو دیکھیں تو اسے نہ لوٹیں۔ امامؑ نے فرمایا: آپ کو کیا معلوم؟ ہو سکتا ہے ڈاکو مجھے ہی لوٹنا چاہتے ہوں اور میرے پاس ہونے کی وجہ سے ہی تمہارا مال غارت ہو جائے؟

کہنے لگے: پھر ہم کیا کریں؟ کیا ہم اپنا مال زمین میں دبا دیں۔ امامؑ نے فرمایا: نہیں، کیونکہ اس سے تو تمہارا مال ضائع ہو سکتا ہے۔ ہو سکتا ہے کوئی اجنبی وہاں سے نکال لے یا ممکن ہے تم لوگ اس کے دفن کی جگہ بھول جاؤ اور پھر تمہیں وہ مال نہ ملے۔ وہ کہنے لگے: پھر ہم کیا کریں؟

## HIGHER EDUCATION LOAN SCHEME (HELP)

**HELP stands for 'Hiridjee Education Loan Pakistan' initiated by the World Federation**

This program's main goal is to give Khoja students (both male and female) financial support so they can pursue higher education in any subject they want, both for undergraduate and graduate degrees. This will provide the finest option for students with outstanding academic credentials but are unable to continue their education owing to financial limitations.

Students only need to visit KPSIAJ's website, fill out the online application form, and attach the necessary documents to apply for this program. A Committee then reviews the application and any attachments and makes a decision based on the merits.

The repayment procedure is also quite generous: borrowing students must repay the loan amount in equal installments over a five-year period beginning the first year after graduation.

The total amount committed by the donors for tuition fees is USD 16,000 per year (cumulative requirement) over a five-year period to benefit (up to 20) qualifying students annually.

KPSIAJ's official website has Frequently Asked Questions and an Application Form for the HELP Scheme. <https://Kpsiaj.org/>

The HELP program was launched on September 22, 2021, with extensive social media promotion. To date 46 applications were submitted and 36 were approved (5 dropped out) and the approved students are already benefitting from higher education – majority in BSCS, BBA, BS and MBA. We pray for their resounding success and may they bring accolades to our community.

Since 2008, the World Federation has assisted Khoja students in furthering their studies in a variety of fields (Law, Mathematics, Dental Surgery, Psychology, Optometry, Economics, Neuroscience, and so on) at institutions such as Queen Mary University, Birmingham University, La Trobe University, and Cedar Crest College. So far, the World Federation has assisted a number of students in studying abroad.

## FATIMIYAH SPORTS COMPLEX

In this modern era where people especially youth, have drastically increased their screen time, Fatimiyah Sports Complex serves as a beacon of hope for continuously maintaining healthy physical activities. The members of FSC along with the community leaders, local sports groups, and other key stakeholders assist us in making this a true community asset for the generations to come.

FSC seeks to maximize the potential of sports facilities and venues, as well as provide leadership and guidance to the community members on developing athletic facilities and programs to positively benefit the quality of life.

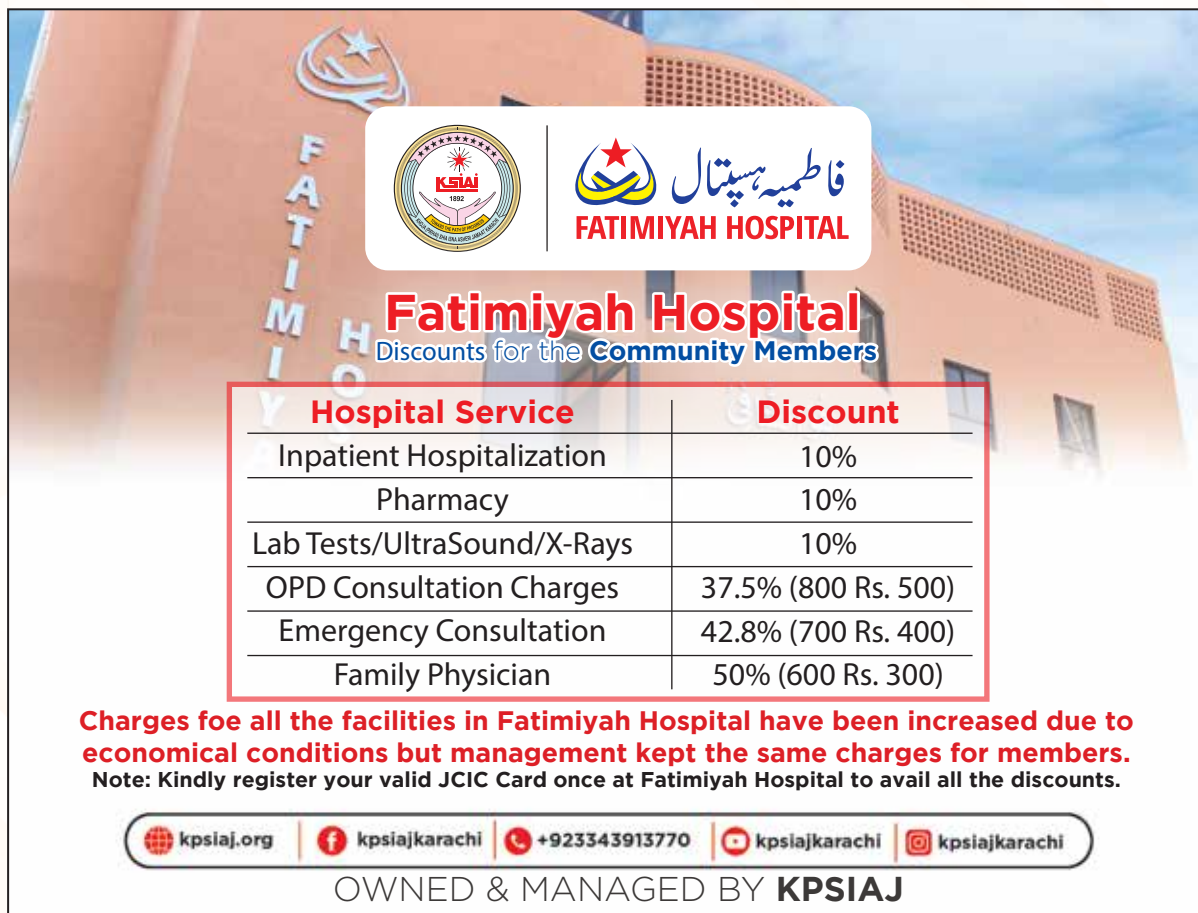

### KEY ACHIEVEMENTS AND CONTRIBUTIONS

#### Table Tennis

Worldwide millions of people play table tennis, and for good reason. It is entertaining, fun, fast and has great health benefits as well. Because of the low risk of injury, table tennis can be enjoyed by people of all ages and fitness levels. When played regularly it improves reflexes, hand-eye coordination and balance, while toning and strengthening the core muscles of the upper and lower body.

FSC feels pride in sharing that our community players were selected in PSB Interprovincial Table Tennis Contest organized by Sindh Sports Board. They were awarded with shields and cash prizes on their outstanding performance.

In addition, the FSC also provides opportunities for Table Tennis Championship. It has successfully co-hosted events with Lyceum School for which Mr. Arif Nakhuda was invited as a Chief Guest. These tournaments play a vital role in uplifting the overall image of Fatimiyah Sports complex.

### **Badminton**

FSC always tries to provide equal opportunities to both male and female members. FATIMIYAH HOSPITAL

## FATMIYAH HOSPITAL

Fatimiyah Hospital in the year 2021-2022 continued to progress on several fronts including obtaining a provisional license by SHCC (Sind Healthcare Commission).

The year 2021-2022 was the year of technical advancement for the Hospital. FH managed to arrange the installation of a 32 Slicer CT-scan brand-new machine with all accessories imported directly from Japan through an authorized vendor. All activities, from purchasing and selection to installation, were carried out by a highly professional and dedicated team in order to achieve the desired quality and standard.

The first half of the year was highly challenging due to flood disasters and consequent diseases. With the cooperation of our dedicated professionals and team of supporting volunteers, we managed it effectively and produced the desired outcome while minimizing the impact of COVID-19.

This year we focused on our ER, ICU THEATER & Clinical Excellence. In ER we developed a new assessment format of the triplicate paper and enhanced clinical control with a daily audit module which was introduced to improve clinical practices and the satisfaction of the patient.

### EMERGENCY & ICU

In ER, a separate well-equipped CPR area was developed and training of the entire team was conducted for this highly sensitive lifesaving practice to enable the FH team to handle the critically ill patient with authority, zeal and excellence.

Code blue teams were formulated and trained for every unit including ER & ICU under the supervision of senior medical staff to handle critical and sensitive events effectively and record them properly.

### MEASURE TO COMBAT COVID -19 OUTBREAK

This year, like in 2020-2021, we followed the same One Patient-One Attendant policy and maintained a no-visit policy, which enabled us to support the national disaster management team to limit the spread of life-threatening COVID-19 disease.

This year, we further reduced the cost of COVID-19 screening tests to make them affordable to everyone, regardless of income.

### THEATER & CLINICAL EXCELLENCE

In ICU our clinical team under the supervision surgeons developed a comprehensive one-pager sheet of individual patients monitoring for candid view and effective management of patients in the critical area of the ICU. The FH management team facilitated ICU with more High flow nasal oxygen (HFNO) devices to handle oxygen deficiencies in COVID -19 and prevent the painful process of putting them onto Ventilators. Blood warmers and many such supportive latest technologies were provided to overcome daily issues like Infusion and Syringe pumps etc.

## **OPG MACHINE AND DIGITAL X-RAY FOR THE DENTAL DEPARTMENT**

FH was dreaming for a long to achieve technological advancement in Dentistry and Alhamdulillah we achieved these milestones this year by installing imported OPG & Digital X-Ray equipment.

## **RADIOLOGY DEPARTMENT & LABORATORY**

This year, we also added to our Radiology Department, A qualified and experienced Radiologist for X-ray reporting by facilitating him with a new Digital Radiography (DR) machine in addition to Computed Radiography (CR).

The Radiology Department is now transforming into a more advanced technology with highly skilled qualified personnel added to oversee reporting and screening. A new Echocardiography machine is added which easily handles pediatric echoes.

FH establishment is considering the addition of MRI, Mammography, and other vital diagnostic facilities. We hired a Microbiologist and Laboratory manager In the Laboratory, who can perform all types of tests related to biochemistry and hematology.

## **TRAINING AND DEVELOPMENT DEPARTMENT**

Training is an ongoing process, and the FH leadership recognized this need and assigned well-trained personnel, who will aggressively plan training for the entire clinical as well as a supportive team.

## **COVID VACCINATION DRIVE**

A well-organized COVID vaccination drive for Part-A and Part-B COVID vaccination was organized, and it was not limited to the community; it was open to the entire Karachi population. The drive was attended by both senior citizens and children, and the outcome was encouraging. A number of people were vaccinated, and the database was well maintained thanks to the IT team and IMI volunteers.

## **CONTINUOUS EDUCATION AND DISEASES AWARENESS PROGRAMS**

In the years 2021-2022, FH collaborated with leading private medical organizations and government authorities to organize a large number of public awareness programs on common medical issues and their early prevention.

## **WELFARE**

During the year 2021-2022, we opened our Welfare window by extending it to all groups in order to overcome the financial problems faced by the under-privileged people. The FSoN prioritizes education. Our school's success has been built on the sacrifices and intense dedication of our faculty and administration. FSoN 's success accelerated when the students' and faculty's efforts paid off each year. FSoN has been achieving top positions since 2015 bringing laurels to the community.

FSoN envisioned to produce competent and skilled nurses who would uphold their noble profession, extend care for their patients, and respond effectively in emergency situations with sincerity and professionalism.

We engrave ethical values in our students so that they prioritize integrity and the well-being of their patients. This is supplemented by our clinical practicum, which helps them develop good work ethics and a sense of responsibility. This guarantees that our nurses receive a multifaceted training that allows them to become holistic caregivers.

With such accomplishments already under our belt, our next mission is to register our institution with Pakistan nursing council as soon as early for other Diploma program, degree courses and to convert Fatimiyah school of nursing into Fatimiyah College of Nursing and Allied Health Sciences.
