MESSAGE FROM THE PRESIDENT ABUL HASSAN GOKAL

Dear Community Members, Assalam-o-Alaikum wa Rahmatullahi wa Barakatuh,

All praise is due to Allah for His countless blessings and guidance, most profoundly through the love of the Ahlul Bayt (AS) and the wisdom of the Holy Qur'an. As we begin a new calendar year, I extend my warm wishes to every member of our community and encourage all of us to embrace self-reflection and personal growth (Tazkiyah), both essential for strengthening individual and collective capacity.

By Allah's grace, and with the steadfast support of our community members, donors, and staff, KPSIAJ remains committed to serving with compassion, integrity, and a clear vision. As we move forward, we reaffirm our dedication to ethical leadership, sustainable development,

and the well-being of society.

Alhamdulillah, the organisational transformation initiated in recent years has strengthened our internal systems and enhanced the impact of our work. A key milestone this year was the expansion of Fatimiyah Hospital, an important step toward ensuring wider access to affordable and quality healthcare. In education, progress continued through the advancement of the Fatimiyah Higher Education System (FHES) and ongoing development toward the Fatimiyah International University (FIU), both designed to nurture informed, confident, and value-driven future leaders.

Recognising the importance of economic empowerment, we also introduced targeted skill development programs to equip our youth with practical competencies. A landmark achievement was the successful organisation of a large-scale Job Fair, connecting aspiring professionals with established employers. This initiative not only supported immediate employment needs but also contributed to long-term community resilience and economic independence.

Our nation continues to experience economic uncertainty and rising inflation, which are placing increasing pressure on less privileged members of our community. In these testing times, the compassion of our donors and the dedication of our volunteers remain vital. We welcome both financial contributions and volunteer participation to ensure that every individual in need receives appropriate care and support.

As the saying goes, alone we can do so little; together we can achieve so much. Our community is blessed with a foundation of faith that encourages us to grow as individuals and unite in service, preparing ourselves for the blessed arrival of the Awaited Saviour, Imam Mehdi (AJTF). May Allah, the Chardah Masoomeen (AS), and the Holy Qur'an continue to guide us, strengthen us, and keep us united in the path of service.

Aameen.

REFLECTIONS

VERSES OF VIRTUE BY PROPHET MUHAMMAD (SAWW)

"I and the person who takes care of orphans will be as close as these two fingers, in Paradise as long as he fears Almighty ALLAH (SWT)"

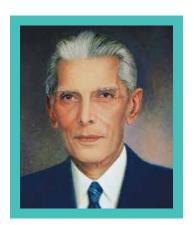

SAYINGS FROM THE FOUNDER OF OUR NATION: QUAID-E-AZAM MUHAMMAD ALI HANNIL

"Character, courage, industry and perseverance are the four pillars on which the whole edifice of human life can be built, and failure is a word unknown to me."

("Muhammad Ali Jinnah: A Political Study" by M.H. Saiyid, p. 9, 1962)

"No struggle can ever succeed without women participating side by side with men."

(Speech at Islamia College for Women, March 25, 1940)

SHAHEED HAMID ALI BHOJANI: A TRANSFORMATIVE LEADER AND HIS **ENDURING LEGACY**

President (KPSIAJ), August 1988 – February 1995

Shaheed Hamid Ali Bhojani's leadership continues to guide the Jamaat's progress, reflecting the Quranic assurance in Surah As-Saff (Ayat 8) that efforts made in the cause of goodness endure and cannot be extinguished. His tenure marked a period of meaningful growth, strengthening the Jamaat's focus on education, healthcare, and community welfare.

what is now the Fatimiyah Education Network (FEN). What began as a seed for community-focused education has evolved into a comprehensive system serving thousands of students. As FEN advances toward its long-term vision — including its aspiration for a university charter — it continues to prepare future professionals with pride, purpose, and strong values, reflecting the direction he helped establish.

Similarly, the continued development of Fatimiyah Hospital stands as a testament to the Jamaat's sustained commitment to accessible and reliable healthcare, built upon the groundwork strengthened during his era.

Shaheed Bhojani was martyred on 25th February 1995 in an attack at Mehfil-e-Murtaza (AS) and Imam Bargah Abul Fazl Abbas (AS), where members had gathered for prayers. His life, service, and sacrifice remain a source of unity and resolve for the community.

His legacy lives on in the institutions that continue to grow, the welfare programs that expand each year, and the spirit of collective responsibility that guides the Jamaat forward.

NOTICE OF ANNUAL GENERAL MEETING (2024-25)

Notice is hereby given that the Annual General Meeting of the Khoja (Pirhai) Shia Isna Asheri Jamaat Karachi will be held at Shaheed Hameed Ali Bhojani Hall, 174 Britto Road, Karachi, on Sunday, 28th December 2025, at 10:30 am to transact the following business:

- Recitation of verses from the Holy Quran
- To read and confirm the minutes of the last Annual General Meeting held on 29th December 2024.
- To consider and adopt the Annual Accounts for the year ended 30th June 2025, together with the report of the Honorary Treasurer and Auditors.
- To consider and adopt the report of the Managing Committee for the year ended 30th June 2025.
- To appoint Auditors for the accounting year ending 30th June 2026 and fix their remuneration, if any.
- To consider any other matter with the permission of the Chair.
- Recitation of Dua.

Karachi: Yawar Abbas Kumaili **Dated: 14th December 2025 Honorary Secretary**

NOTE:

- As required under the Constitution, the Management has emailed the minutes of the last AGM, the Annual Reports, and the Accounts for the year ended 30th June 2025, along with the Honorary Treasurer's Report, to members whose email addresses are available with KPSIAJ.
- Members who have not yet registered their email addresses with the Jamaat are requested to do so.
- Members who require a printed copy of the Annual Report may collect it from the Jamaat Office at Kharadar or Soldier Bazar, Karachi.

KHOJA (PIRHAI) SHIA ISNA ASHERI JAMAAT TREASURER'S REPORT FOR THE YEAR ENDED 30TH JUNE, 2025

Executive summary

The Jamaat completed the financial year with a stronger balance sheet and continued investment in long-term capacity building. The year delivered an improved operating surplus alongside significant additions to long-term assets that are expected to enhance the Jamaat's performance in education, healthcare and community services.

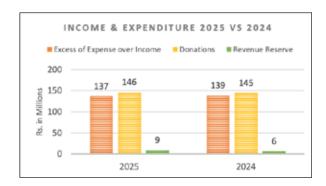

Financial position and movement in key balances

The management is committed to efficient administration of the Jamaat's resources and to making sure designated funds are spent only on their intended programs.

As at 30 June 2025, the Jamaat's consolidated statement of financial position recorded total assets of PKR 2,401.8 million, compared with PKR 1,837.4 million at 30 June 2024. The 31% increase in total assets is driven largely by capital investment. Property and equipment rose to PKR 1,636.5 million from PKR 1,196.1 million in the prior year, reflecting ongoing development of our projects as well as continuous upgrades in medical and educational infrastructure.

The year ended 30 June 2025 concluded with a surplus of PKR 9.7 million, an improvement on the prior year's result. This reflects steady management of the Jamaat's activities, supported by the generosity of members and thoughtful oversight of spending across programs.

Cash flow and liquidity

During the year the Jamaat progressed a major program of capital expenditure, with PKR 496.7 million invested in long-term assets. These projects were funded through capital contributions, designated funds and grants and were carried out under approved plans and regular oversight. The investments reflect a clear commitment to strengthening community facilities and creating lasting value for members.

KHOJA (PIRHAI) SHIA ISNA ASHERI JAMAAT TREASURER'S REPORT

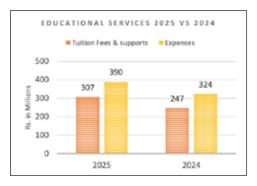

FOR THE YEAR ENDED 30TH JUNE, 2025

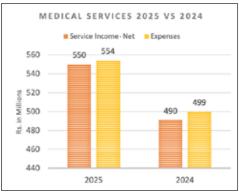

Segment performance — Education, Medical and Member Services

The Jamaat's principal service segments delivered positive outcomes and important progress during the year.

Education activities recorded total income and supports of PKR 306.9 million, up from PKR 246.8 million in 2024 (an increase of 24%). Expenditure in education increased to PKR 390.4 million from PKR 323.9 million, reflecting targeted investment in teaching and other resources to improve quality and capacity.

Medical services achieved net service income of PKR 550.1 million, compared with PKR 490.5 million in the prior year (an increase of 12%). Importantly, the medical segment reduced its deficit compared with the prior year by 53%, demonstrating improved cost recovery and operational efficiencies across clinical and support functions.

Members continued to back our community programs, sports, transport, burial and welfare services. The year saw growth in activity across these services alongside focused actions to strengthen their financial position.

Governance and Controls

The Jamaat remains committed to strong governance of community funds. Financial processes and reporting were reviewed and strengthened during the year to support clear decision-making and accountability. Members can be assured that funds entrusted to the Jamaat are managed wisely and in accordance with agreed policies.

Acknowledgements

I extend our sincere gratitude to the members, donors, consultants, volunteers and staff whose continuous support and dedication make the Jamaat's growth possible. We remain committed to managing the funds entrusted to us with integrity, prudence and transparency for the collective benefit of our community.

Asker Ali Basrawala

Honorary Treasurer Date: Dec 14, 2025

KHOJA (PIRHAI) SHIA ISNA ASHERI JAMAAT AUDITOR'S REPORT FOR THE YEAR ENDED 30TH JUNE, 2025

INDEPENDENT AUDITOR'S REPORT TO THE MANAGEMENT COMMITTEE OF KHOJA (PIRHAI) SHIA ISNA ASHERI JAMAAT

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the annexed financial statements of **KHOJA** (**PIRHAI**) **SHIA ISNA ASHERI JAMAAT**, which comprise the statement of financial position as at June 30, 2025, the statement of income and expenditure, the statement of other comprehensive income, the statement of changes in funds and reserves, the statement of cash flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion the accompanying financial statements present fairly, in all material respects the financial position as at June 30, 2025, and of its financial performance and its cash flows for the year ended in accordance with approved accounting and reporting standards as applicable in Pakistan

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAS) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter(s)

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Responsibilities of Management for the Financial Statements.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Management Committee's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are are responsible for overseeing the Trust's financial reporting process.

Suite 113, 3rd Floor, Hafeez Centre, A/34, KCHS, Block 7&8, Shahrah-e-Faisal, Karachi.

KHOJA (PIRHAI) SHIA ISNA ASHERI JAMAAT AUDITOR'S REPORT FOR THE YEAR ENDED 30TH JUNE, 2025

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide the Management committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Suite 113, 3rd Floor, Hafeez Centre, A/34, KCHS, Block 7&8, Shahrah-e-Faisal, Karachi. T: 021 3439 2361-2 and 021 3452 9788 E-mail: dossani.associates@gmail.com

KHOJA (PIRHAI) SHIA ISNA ASHERI JAMAAT AUDITOR'S REPORT FOR THE YEAR ENDED 30TH JUNE, 2025

From the matters communicated with the Management committee, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter(s)

The engagement partner on the audit resulting in this independent auditor's report is Mr. Afzal Dossani, FCA.

Abul Hassan Gokal President Yawar Abbas Kumaili Honorary Secretary

1 LEGAL STATUS AND NATURE OF ENTITY

Khoja (Pirhai) Shia Isna Asheri Jamaat (KPSIAJ) was established in the year 1892. It was registered on 01 April 1965 under the Societies Registration Act, 1860 and works as a welfare organization. Registered office of KPSIAJ is situated at 3-4, Platinum Plaza, G-K 2/30, Paria street, Kharadar, Karachi - 74000.

KPSIAJ operates Fatimiyah Hospital, Fatimiyah Education Network and other welfare services are also carried with core objective to provide accessible and affordable quality healthcare and education to all specially community with dignity, respect and empathy.

2 BASIS OF PREPARATION

2.1 Statement of compliance

The financial statements have been prepared in accordance with "Accounting Standard for Not for Profit Organization (NPOs) as prescribed by Institute of Chartered Accountants of Pakistan (ICAP), and the International Financial Reporting Standards (IFRS) as applicable in Pakistan.

2.2 Basis of measurement

These accounts have been prepared on the basis of historical cost convention. The accounting policies have been consistently applied by the KPSIAJ with those of previous years.

2.3 Functional and presentation currency

These financial statements are presented in Pak Rupees which is the KPSIAJ's functional and presentation currency and have been rounded to the nearest rupee.

2.4 Use of estimates and judgments

The preparation of financial statements is in conformity with the accounting and reporting standards as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the application of policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Estimates and judgments made by management in the application of accounting and reporting standards as applicable in Pakistan, that have significant affect the financial statements and estimates with a significant risk of material adjustments in the subsequent years are as follows:

Property and equipment

KPSIAJ reviews the rate of depreciation useful lives, residual values and values of assets for possible impairment on an annual basis. Any change in the estimates in future year might affect the financial results of next and subsequent years.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3.1 Property and equipment

Property and equipment are stated at cost less accumulated depreciation except leasehold land and capital work-in-progress which are stated at cost. Assets received as donation are recorded at fair value. In case fair value cannot be reasonably determined such donations be recorded at nominal value.

Depreciation

Depreciation is charged on reducing balance method at rates specified in note 8. A full year's depreciation is charged on all additions. No depreciation is charged for assets disposed off during the year.

Where separately identifiable parts of an item of property and equipment have different useful lives, they are accounted for as separate items (major components) of property and equipment.

Expenses on repairs and maintenance are charged to statement of income and expenditure.

Gains or losses on disposal of property and equipment are included in statement of income and expenditure.

3.2 Consumable stocks

Consumable stocks is valued at lower of cost and net realizable value. Net realizable value signifies the selling prices in the ordinary course of business less costs necessary to be incurred in order to make the sales.

3.3 Debtors

These are initially recognized at cost which represents fair value and are subsequently stated at amortized cost less impairment losses. These assets are written off when there is no reasonable expectation of recovery. Actual credit loss experience over past year is used to base the calculation of expected credit loss.

3.4 Cash and cash equivalents

Cash and cash equivalents comprises of cash and bank balances (including term deposits having maturity of up to three months at the reporting date) that are readily convertible to known amounts of cash and are subject to an insignificant risk of change in value.

3.5 Retirement benefits

3.5.1 Defined contribution plan

KPSIAJ operates a provident fund for its permanent employees. Equal monthly contributions are made both by the KPSIAJ and the employees to the fund at the rate of 8.33% of the basic salary.

3.5.2 Compensated absences

Accrual is made for employees' compensated absences on the basis of the accumulated leaves and the last drawn pay as determined by the management.

3.6 Provisions

Provisions are recognized when the KPSIAJ has a legal or constructive obligations as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and reliable estimate of the amount can be made. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

3.7 Foreign currency translation

Transactions in foreign currencies are translated into Pakistani rupee at the exchange rates prevailing at the date of transactions, monetary assets and liabilities denominated in foreign currencies are translated into Pakistani rupee at the exchange rates prevailing at the reporting date. Exchange differences are included in the income and expenditure account currently.

3.8 **Endowment funds**

The objective of this fund is to make investments to generate income (refer note 3.15) which can be used for education, medical and other services as per the defined purposes of the respective funds.

3.9 Offsetting

Financial assets and liabilities are set-off and the net amount is reported in the statement of financial position when and only when, KPSIAJ has legally enforceable right to set-off the amounts and KPSIAJ intends either to settle on net basis, or to realize the assets and to settle the liabilities simultaneously, income and expenses are presented on net basis only when permitted by the accounting and reporting standards.

3.10 Investments

Investments are stated at fair market value as of reporting date.

3.11 Revenue recognition

- Revenue from medical services for out-patient department is recognized at point in time whereas revenue from in-patient department is recognized over time as the services are provided.
- In case of education services fee income is recognized on accrual basis.
- Admission fees from medical and education services are recognized as income when received.
- Donation is recorded as income when received. Whereas, grant is recognized in the manner given in note 3.12.
- Return on investments is recognized at effective rate of return. Whereas, dividend income is recorded when announced and right to receive are established.
- · Rental income is recognized in the statement of income and expenditure. as per the terms of rent agreements.
- Other income is recorded on receipt basis.

3.12 Government grants

Government grants are recognized at fair value, as deferred income when received.

Grants that compensate KPSIAJ for expenses incurred are recognized on a systematic basis in the income for the year in which the related expenses are recognized. Grants that compensate for the cost of an assets are recognized in income on a systematic basis over the expected useful life of the related assets.

3.13 Taxation

In accordance with Sub-section 1 of 100C of Income Tax Ordinance, 2001, KPSIAJ is eligible for 100% tax credit. Accordingly, no provision is required for current / deferred tax in these financial statements.

3.14 Financial instruments

3.14.1 Financial assets

Classification

KPSIAJ classifies its financial assets in the following categories:

a) At amortised cost

Financial assets at amortised cost are held within a business model whose objective is to collect contractual cash flows on specified dates when those cash flows represent solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets, impairment losses, foreign exchange gains and losses, and gain or loss arising on derecognition are recognised in statement of income and expenditure.

b) At fair value through other comprehensive income (FVOCI)

Financial assets at fair value through other comprehensive income are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) At fair value through statement of income and expenditure (FVSIE)

Financial assets at fair value through statement of income and expenditure are those financial assets which are either designated in this category or not classified in any of the other categories. A gain or loss on debt instruments that is subsequently measured at fair value through profit or loss is recognised in profit or loss in the period in which it arises.

Recognition and measurement

KPSIAJ recognises a financial asset when it becomes party to the contractual provisions of the instrument. Financial assets are initially measured at cost, which is the fair value of the consideration given and received respectively. These financial assets are subsequently remeasured to fair value or amortised cost as the case may be. Any gain or loss on the recognition and derecognition of the financial assets is included in statement of income and expenditure. for the period in which it arises.

Equity instrument financial assets / mutual funds are measured at fair value at and subsequent to initial recognition. Changes in fair value of these financial assets are recognised in the statement of income and expenditure. Dividends from such investments continue to be recognised in the statement of income and expenditure when KPSIAJ's right to receive payment is established. Where an election is made to present fair value gains and losses on equity instruments in other comprehensive income there is no subsequent reclassification of fair value gains and losses to statement of income and expenditure following the derecognition of the investment.

Transaction costs that are directly attributable to the acquisition of the financial asset are made part of cost of the asset except for financial assets at fair value through statement of income and expenditure.

Derecognition

Financial assets are derecognised when the rights to receive cash flows from the assets have expired or have been transferred and KPSIAJ has transferred substantially all risks and rewards of ownership. Assets that are not contractual in nature and that are created as a result of statutory requirements imposed by the Government are not financial instruments of KPSIAJ.

3.14.2 Financial liabilities

All financial liabilities are recognised at the time when KPSIAJ becomes a party to the contractual provisions of the instrument. Financial liabilities at amortised cost are initially measured at fair value minus transaction costs. Financial liabilities at fair value through the statement of income and expenditure are initially recognised at fair value and transaction costs are expensed in statement of income and expenditure. Financial liabilities, other than those at fair value through statement of income and expenditure, are subsequently measured at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange and modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in respective carrying amounts is recognised in statement of income and expenditure.

3.15 **Income earned on investments**

Income earned on investments during the year are purified as per the guidelines prescribed by Shariah advisors; whereas, remaining income is reflected in statement of income and expenditure.

		30 June 2025	30 June 2024
		Rup	ees ———

17 **TAXATION**

The KPSIAJ has not recognized provision for current and deferred tax in accordance with the provision of Section 100C of Income Tax Ordinance, 2001 (ITO), which states that KPSIAJ shall be allowed a tax credit equal to one hundred percent of the tax payable, including minimum tax and final taxes payable under any of the provisions of the ITO, subject to the following conditions:

- a) Return has been filed.
- b) Tax required to be deducted or collected has been deducted or collected and paid.
- c) Withholding tax statements for immediately preceding tax year have been filed; and
- d) The administrative and management expenditure does not exceed 15% of the total receipts.

The KPSIAJ has complied with the aforementioned conditions of the ITO and has also obtained a certificate from Pakistan Centre for Philanthropy.

TRANSACTIONS WITH RELATED PARTIES 18

Related parties include the Managing Committee Members (MCM), associated undertakings in which MCM hold common directorship, key position or their close family members and key management personnel of the KPSIAJ.

Details of transactions with related parties, other than those which have been disclosed explicitly elsewhere in these financial statements are as follows:

Relationship	Transactions during the year	30 June 2025	30 June 2024
		Rup	ees
Managing Committee Members	Donation received	13,854,100	10,687,845
	Consultant share paid	4,190,890	4,078,928

The Managing Committee Members (MCM) do not draw any remuneration and work on an honorary basis.

19 PROVIDENT FUND DISCLOSURE

KPSIAJ operates a contributory provident fund for all its permanent employees. Salaries, wages and other benefits include Rs. 16.17 million (2024: Rs. 11.03 million) in respect of provident fund contribution made by the KPSIAJ.

Details of net assets and investments of the fund based on the unaudited financial statements of the fund are as follows:

20 FINANCIAL RISK MANAGEMENT

The Managing Committee Members (MCM) of the KPSIAJ has overall responsibility for the establishment and oversight of the KPSIAJ's risk management framework. The MCM is also responsible for developing and monitoring the KPSIAJ's risk management policies. The KPSIAJ's risk management policies are established to identify and analyze the risk faced by the KPSIAJ, to set appropriate risk limits and controls and to monitor risks and adherence to limits.

Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the KPSIAJ's activities.

KPSIAJ's activities expose it to a variety of financial risks such as:

- Credit risk
- Liquidity risk and
- Market risk

20.1 Credit risk and concentration of credit risk

Credit risk represents the accounting loss that would be recognized at the reporting date if counterparties to the financial instrument fail to perform as contracted.

Credit risk arises from the inability of the issuers of the instruments the relevant financial institutions or other counterparties to fulfill their contractual obligations resulting in financial loss to the KPSIAJ. The credit risk of the KPSIAJ mainly arises from its investments in representing failure of the investee companies in repayment of principal and / or the return due on such investments. The KPSIAJ is also exposed to counterparty credit risk on bank balances, long term deposits, accrued income and other receivable balances.

20.1.1 Credit risk management

The KPSIAJ assesses all counterparties for credit risk before contracting with them. It is the KPSIAJ's policy to enter into financial contracts with reputable and creditworthy counterparties. The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk before any credit enhancements at the reporting date was:

30 June 2024 Rupees ————
3,604,710
181,872,507
78,306,858
269,140,319
532,924,394

Deposits

The KPSIAJ has deposited various amounts as security to suppliers against provisioning of different services. The management does not expect to incur material losses on such deposits and consider such amounts receivable on the termination of service contract from respective suppliers.

Investments

The KPSIAJ manages credit risk arising from term deposit receipts by making investments in commercial banks having satisfactory credit rating.

There is no significant credit risk against other investments as majority is in Government Securities.

Additionally, the KPSIAJ has invested in Ijara Sukuk, which further diversifies the investment portfolio while maintaining a low credit risk.

Advances and other receivables

These represent amount receivable mainly from corporate clients, management considers that such amount is due under agreement and counterparties pay the respective amount in normal course. In event of default management reserves right to claim its due under agreement with counterparties.

Nonetheless a significant portion of the receivable have already been received subsequent to the vear end.

Bank balances

The KPSIAJ kept surplus liquidity with banks having long term credit rating. Currently, the surplus funds are kept with banks having following ratings:

		Rati	ng
	Rating agency	Short term	Long term
Bank Al Habib	PACRA	A 1+	AAA
Habib Metropolitan Bank	PACRA	A 1+	AA+

20.2 Liquidity risk management

Liquidity risk reflects the KPSIAJ's inability in raising funds to meet commitments. Management closely monitors KPSIAJ's liquidity and cash flow position This includes maintenance of balance sheet liquidity ratios, debtors and creditors concentration both in terms of the overall funding mix and avoidance of undue reliance on large individual customer.

Ultimate responsibility for liquidity risk management rests with the MCM, which has built an appropriate liquidity risk management framework for the management of the KPSIAJ's short, medium and long-term funding and liquidity management requirements. The KPSIAJ manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

20.2.1 Liquidity and interest risk

The following schedule provides the detail of KPSIAJ's remaining contractual maturity for its non-derivative financial liabilities. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the KPSIAJ can be requested to pay. The table Includes both interest and principal cash flows:

	Carrying amount	Contractual cash flows	Less than one year	More than one year	No stated maturity
30 June 2025			— Rupees —		_
Accrued and other liabilities:					
Accrued expenses	22,749,366	22,749,366	22,749,366	-	-
Funds for specific purposes	120,302,272	120,302,272	120,302,272	-	_
Other liabilities	9,131,113	9,131,113	9,131,113	-	-
	152,182,751	152,182,751	152,182,751	-	-
	Carrying amount	Contractual cash flows	Less than one year	More than one year	No stated maturity
30 June 2024			Rupees —	_	
Accrued and other liabilities:					
Accrued expenses	11,799,492	11,799,492	11,799,492	-	-

20.3 Market risk management

Other liabilities

Funds for specific purposes

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices affect KPSIAJ's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimizing returns. KPSIAJ is exposed to interest rate risk as at 30 June 2025.

20.3.1 Interest rate risk management

Interest rate risks the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The majority of the interest rate exposure arises from financial assets and financial liabilities as stated below.

At the reporting date, the interest rate profile of the KPSIAJ significant interest bearing financial instruments was as follows:

2025

	2025	2024	2025	2024		
	Effective interes	t rate (in %)	Carrying amounts (in rupees)			
Variable interest-bearing financial instrument						
Financial assets						
Bank balances	7.70% to 20.00%	18.75% to 19.50%	87,911,339	269,140,319		
Ijara Sukuk	14.12% to 21.37%	21.88% to 22.44%	130,990,530	130,990,530		

2024

2025

2024

Fixed interest-bearing financial instrument

Financial assets

Term deposit receipt	7.25% to 18.25%	14.60% to 20.25%	20,000,000	20,000,000
Government securities (T-Bills)	10.88% to 21.34%	20.14% to 22.87%	463,879,697	187,756,587

Cashflow from sensitivity analysis for variable rate instruments

For cash flow sensitivity analysis of variable rate instruments a hypothetical change of 100 basis points in interest rates would have decreased / (increased) profit for the year by the amounts shown below.

shown below.	Income and expenditure 100		
	bps		
	Increase	Decrease	
	Rup	ees ———	
As at 30 June 2025			
Cashflow sensitivity variable rate financial assets	879,113	(879,113)	
As at 30 June 2024			
Cashflow sensitivity variable rate financial assets	2,691,403	(2,691,403)	

The above sensitivity is not necessarily indicative of the actual effect of changes in interest rate as those are based on management's best estimate of possible change of interest rate in future.

20.3.2 Foreign exchange risk management:

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The KPSIAJ is not involved in foreign exchange transaction as a result it is not exposed to any such risk.

20.3.3 Fair value of financial instruments:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the KPSIAJ is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms:

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market prices used for financial assets held by the KPSIAJ is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements' requires the KPSIAJ to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- · Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date (level 1)
- Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly (level 2)
- Unobservable inputs for the asset or liability (level 3).

KHOJA (PIRHAI) SHIA ISNA ASHERI JAMAAT **NOTES TO THE FINANCIAL STATEMENTS**

FOR THE YEAR ENDED 30 JUNE 2025

The following table shows the carrying amounts and fair values of financial instruments and non-financial instruments including their levels in the fair value hierarchy.

On balance sheet financial instruments

	30 June 2025		30 June 2024		
	Carrying amount	Fair value	Carrying amount	Fair value	
	Amortized cost		Amortized cost		
	Rupees —				
Financial assets					
Deposits	3,724,710	=	3,604,710	-	
Investments (Level 2)	407,201,261	28,450,576	163,588,859	18,283,648	
Advances and other receivables	140,081,493	-	78,306,858	-	
Bank balances	87,911,339		269,140,319		
	638,918,803	28,450,576	514,640,746	18,283,648	
Financial liabilities not measured at fair values					
Accrued and other liabilities:					
Accrued expenses	22,749,366	_	11,799,492	_	
Funds for specific purposes	120,302,272	-	142,221,706	-	
Other liabilities	9,131,113	-	69,095,249	-	
	152,182,751		223,116,447		

KPSIAJ has not disclosed the fair values for these financial assets and financial liabilities, as these are either short term in nature or repriced periodically. Therefore, their carrying amounts are reasonable approximation of fair values.

20.3.4 Capital risk management:

KPSIAJ finances its operations primarily from the revenue received through medical, education and other services and donations. Apart from these, KPSIAJ also solicits donations for welfare as well as for financing its capital projects. KPSIAJ is not exposed to any externally imposed capital requirement.

21 **GENERAL**

- 21.1 Certain corresponding figures have been reclassified for a better comparison.
- 21.2 These financial statements were authorized for issue by the Managing Committee of KPSIAJ on 05 Dec, 2025.
